It speaks about sustainability and the long-term cost-effectiveness of a method as the community learns how it works and applies it using volunteers in the community. Such unlawful sex-based discriminatory practices include, but are not limited to, the following: 1 Making a distinction between married and unmarried persons that is not applied equally to men and women; 2 Denying women with children an employment opportunity that is available to men with children; 3 Treating men and women differently with regard to the availability of flexible work arrangements; 4 Firing, or otherwise treating adversely, unmarried women, but not unmarried men, who become parents; 5 Applying different standards in hiring or promoting men and women on the basis of sex; 6 Steering women into lower-paying or less desirable jobs on the basis of sex; 7 Imposing any differences in retirement age or other terms, conditions, or privileges of retirement on the basis of sex; 8 Restricting job classifications on the basis of sex; 9 Maintaining seniority lines and lists on the basis of sex; 10 Recruiting or advertising for individuals for certain jobs on the basis of sex; 11 Distinguishing on the basis of sex in apprenticeship or other formal or informal training programs; in other opportunities such as on-the-job training, networking, mentoring, sponsorship, individual development plans, rotational assignments, and succession planning programs; or in performance appraisals that may provide the basis of subsequent opportunities; 12 Making any facilities and employment-related activities available only to members of one sex, except that if the contractor provides restrooms, changing rooms, showers, or similar facilities, the contractor must provide same-sex or single-user facilities; 13 Denying transgender employees access to the restrooms, changing rooms, showers, or similar facilities designated for use by the gender with which they identify; and 14 Treating employees or applicants adversely because they have received, are receiving, or are planning to receive transition-related medical services designed to facilitate the adoption of a sex or gender other than the individual's designated sex at birth. OFCCP believes there is no additional burden for contractors to comply with new paragraph 60–20.
