Tackling life

He vowed in that moment he would never

allow himself, or anyone else, to live that way. Nguyen was recruited and received scholarship offers from Michigan, UCLA, Notre Dame, Texas, and Florida. He describes the racism his family encountered while he was growing up and how the friendship of one young Caucasian boy and his family overcame prejudice through an invitation to participate in sports.

Dat Autographed Book: Tackling Life and the NFL by Dat Nguyen w/ Rusty Burson

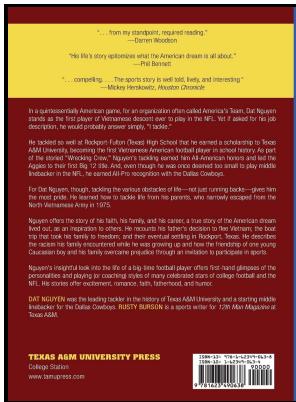

Dat is a lively, engaging story of growing up in a refugee family, of big-time football, and of human struggle and success. He motivates in the hopes that others will be able to maximize each day. He recounts his father's decision to flee Vietnam; the boat trip that took his family to freedom; and their eventual settling in Rockport, Texas, where a community of Vietnamese shrimpers established an economic livelihood using skills brought from the old country.

Dat Autographed Book: Tackling Life and the NFL by Dat Nguyen w/ Rusty Burson

May be very minimal identifying marks on the inside cover. One of the valuable lessons Caesar Rayford learned during his professional football career was to be prepared — not just physically, but mentally and emotionally as well as it can be the difference between success or falling short of your goal. He describes the racism his family encountered while he was growing up and how the friendship of one young Caucasian boy and his family overcame prejudice through an invitation to participate in sports.

Dat: Tackling Life and the NFL

From 1996 to 1998, he earned first-team All-Big 12 honors three consecutive times. For fans of stories in which the human spirit and a deep religious faith triumph over obstacles and adversity, the book is an inspiration.

Dat: Tackling Life and the NFL

From 1996 to 1998, he earned first-team All-Big 12 honors three consecutive times. For fans of stories in which the human spirit and a deep religious faith triumph over obstacles and adversity, the book is an inspiration.

Tackling life

DAT NGUYEN, the leading tackler in Aggie history and a starting middle linebacker for the Dallas Cowboys, now owns and operates West 7th Chick-Fil-A in Fort Worth. The sports story is well told, lively, and interesting.

Dat: Tackling Life and the NFL by Dat Nguyen

A good football book with the added bonus of a little social history. For Dat Nguyen, though, tackling the various obstacles of life—not just running backs—gives him the most pride. One reason he gave was getting out of your comfort zone.

Dat: Tackling Life and the NFL

Since his retiring, he travels all over the country in an effort to motivate young people to push themselves to their full potential. I like to motivate people. He learned how to tackle life from his parents, who narrowly escaped from the North Vietnamese Army in 1975.
