## Joe Biden's big lie

Is this only going to get worse as demographics continue to change and Republicans are increasingly in the minorities? Real change must rest on an intellectual foundation. Not so much members of the armed forces speaking in their official capacity, which is what happened last week after Tucker Carlson of Fox News dared to comment about the role of women in the military. Rather, it depends on a remarkably stupid thick-headedness.

## The Economic Recovery: Washington's Big Lie

Republicans and other conservatives in America must figure out how to make the media feel pain for its devotion to the Democrat party line and its repeated willingness to abandon any ethical considerations to defame those who dare to stand up to the Democrats.

## The Washington Post confessed to a very big lie

Jews, Hitler contended, were the weak underbelly of the Weimer state that exposed the loyal and true German population to catastrophic collapse. Every day there is a new update to the story of how the election is still being litigated and investigated.

## Using the 'big lie' to delegitimize election results

Has he ever read any of the Bible? Since she chose to remain anonymous it is an unreliable source. This was spread by right-wing groups, including the Nazis. The obvious reply is that these voters, like their critics who vote for politicians who promise to raise their taxes, value some things more than marginal short-term economic gain.

## The Economic Recovery: Washington's Big Lie

This example of moral turpitude from the Washington Post began on January 9.

## The Washington Post confessed to a very big lie

But the absurdity of much in the Steele dossier, and the fact that it was paid for by the Clinton campaign, should have sent up the early warning flags. Evidence provided by other witnesses contradicted that claim.

### **Joe Biden's big lie**

This story is not so easily disproved. The allegations in the article were explosive.

### **The power of the Big Lie: Why do 30% of Americans cling to Trump's dark fantasy?**

It thus becomes vitally important for the State to use all of its powers to repress dissent, for the truth is the mortal enemy of the lie, and thus by extension, the truth is the greatest enemy of the State. That hive-mind has taken shape around us in the form of TrumpWorld and the MAGAverse.
