Globe editorial: Paltry OxyContin settlement is a betrayal of Canadians

The original — and for many decades, unquestioned on both sides —

We were in our minds good guys with no record of colonial conquest or aggressive intentions, a developed country apt to care about the underdeveloped. His skepticism about big government extends to large international issues, especially multilateral schemes that could constrain national sovereignty, such as concerted action to combat climate change. It comes as Alberta conducted 15,900 tests and confirmed 1,077 more cases of COVID-19 in the past 24 hours.

Jeremy Kinsman: A betrayal of Canada's multilateral tradition

Leaving my body racked with chronic pain. For their part, the Taliban see a ceasefire as merely a possible outcome of negotiations. There is also an argument to be made that the high opioid addiction rate in Canada opened the door to the ongoing crisis involving fentanyl, a much stronger opioid that criminals flooded into the country to meet the demand after OxyContin was pulled from the market.
