MATS RYDÉN. The English Plant Names in The Grete Herball (1526) A contribution to the Historical Study of English Plant

British Mammals, 1920-21, two volumes, numbered large paper edition limited to 155 copies, 50 colour plates, t. Tekstblade og plancher rene og friske med kun ganske få mindre brunletter. With all separate titlepages and the general titlepage.

Flora Danica Porcelain Dinner Service, 141 Pieces

After the creation of the original service Flora Danica was not produced for a further 60 years. It is therefore pleasing to see a modern translation of Cluyt's 1634 De Hemerobio with an appreciative commentary on its importance.

Георг Христіан Едер — Вікіпедія

Each piece includes the botanical and common names of the plants depicted, the date and place they were made and who donated the specimen. *Salix alaxensis*: close-up of leaves showing densely villous-tomentose undersides and inflated petioles surrounding floral buds.

MATS RYDÉN. The English Plant Names in The Grete Herball (1526) A contribution to the Historical Study of English Plant

Text is clean and free of marks. Plant similar in appearance to S. Buchwald, bearing his name and exlibris.
