University of Kansas Law Review 23:23—90. Click the link for more information.

**French Revolution**

The droit de bâtarde was the right to confiscate the estate of any extramarital offspring who died without legitimate descendants. The Third Estate, which was made up of mostly Bourgeoisie, were locked out of a meeting of the Estates General, so they met inside a tennis court where they establish the National Assembly and reasoned to draw up a constitution based on popular sovereignty.
