It will be a source of considerable interest and controversy and its work is likely to be followed closely both in South Africa and abroad.

### TRC/Report

Village traders I was thus aware at a young age of conflicting values at the intersection between western concepts of the law, its formal and Latinate expression and punctilious enforcement, and the needs of rural black communities; the problematic role that language played in the adversarial ritual of criminal court procedure, alien to many participants; and the difficulties inherent in responding to the needs of very large and

widely geographically dispersed poor and disenfranchised communities. The Committee on Amnesty The task of this Committee will be to grant amnesty to those people who have committed political crimes. President Mandela apologized to all victims on behalf of the state.
