The forgotten language; an introduction to the understanding of dreams, fairy tales and myths. (Book, 1974) [localizing justmote.me]

By this quick expulsion of air we imitate and thus express our intention to expel something, to get it out of our system.

The forgotten language an introduction to the understanding of dreams...

Although there still were some Freud references throughout the stories, there was this unique and maybe a bit extraordinary analysis of the myths, stories and novels about symbolism

The forgotten language : an introduction to the understanding of dreams, fairy tales, and myths / by...

Fromm, as did many of his former Frankfurt School colleagues, distrusted the authority of the patriarchal family unit.

The Forgotten Language. An Introduction to the Understanding of Dreams, Fairytales and Myths by Erich Fromm

But the specific content of the cross referring to Jesus' death or, beyond that, to the interpenetration of the material and spiritual planes, puts the connection between the symbol and what it symbolizes beyond the level of mere conventional symbols. They were collected and studied, and some few pioneers in this field, like J. It is an expression of disgust in which our mouths participate.
