## Your responsibilities at the time you sell goods

As a business you are required to comply with the Act. Consumer right to a refund When a consumer rejects goods they can claim a refund. This means the consumer will have the remainder of the 30-day period, or seven days whichever is longer to check whether the repair or replacement has been successful and to decide whether to reject the goods.

## Consumer rights when buying services

Essentially, the Act states that what you sell must fit its description, be fit for its purpose and be of satisfactory quality.

## Consumer rights when buying goods

Includes a benefits calculator and grants search tool.

## Consumer rights when buying goods

Well the good news is that the rights are all on your side whether you decide to stick with it or reject the vehicle.

## Social media business benefits and legislation

Under the Consumer Rights Act, if the vehicle goes wrong within the first 30 days of ownership, you can simply reject it for a full refund.

## Useful Links

Goods and services bought before 1 October 2015 are covered by the Sale of Goods Act and the Supply of Goods and Services Act. The law also gives consumers longer to cancel most types of order.

## **The Consumer Rights Act**

Keep In Touch I would like to hear more about what The Charity for Civil Servants does, what it can offer current and former civil servants, and how the Charity can help support the wellbeing of me, my colleagues, and my family.

### **Your responsibilities at the time you sell goods**

Nor can your refund be reduced where the goods are rejected within six months of getting them, except where the goods are a motor vehicle.
