Part 3 reviews the latest developments in prison management and program, and closes with a reform proposal in which encouragement of mature coping adaptations, together with help navigating the transition to the free world, are primary objectives of correctional work. Draws from both ethnographic and professional material, and situates the prison experience within both contemporary and historical contexts Features first pers Hard Time: A Fresh Look at Understanding and Reforming the Prison, 4th Edition, is a revised and updated version of the highly successful text addressing the origins, evolution, and promise of America's penal system. Part 1 reviews the history of prisons.

Hard time : understanding and reforming the prison in SearchWorks catalog

But mature coping is possible in prison, can be facilitated by staff and programs, and can result in the correction or rehabilitation of offenders. It is the personal stories, which provide a realistic and poignant look at what life is like as a prisoner, that are the strength of this book. Bibliography Includes bibliographical references and index.

To Protect and To Serve: The Prison Officer's Private Correctional Agenda. The Pains of Modern Imprisonment.

Hard Time: Understanding and Reforming the Prison by Robert Johnson

They adapt to prison in immature and often destructive ways, and as a result, they leave prison no better, and sometimes considerably worse, than they went in. Better Living in the Community: Prison Programs and the Cultivation of Coping Competence.

Hard Time: Understanding and Reforming the Prison

The book argues that prisoners serve hard time, as they are meant to, but typically learn little of value during their time behind bars. .
