Chateaubriand, Lamartine, and Béranger, who were once his idols, are relegated to a very inferior place in literature.

Charles Augustin Sainte

Beginning in 1824, he contributed literary articles, the Premier lundis of his collected Works, to the Globe newspaper, and, in 1827, he came, through a review of Victor Hugo's Odes et ballads, into close association with Hugo and the Cénacle, the literary circle that strove to define the ideas of the rising Romanticism and struggle against classical formalism. An Anthology in Thirty Volumes. His subjects were freely chosen from all eras and of, from ancient to modern.
