A History of Chamber Music, Part III: Romantic Rogues

Table shows HIP, MS and C19th performance characteristics gathered on the basis of previous studies made on the subject, coupled with the performance features analyzed and their related methods of investigation.

Music in Nineteenth

The latter, apparent through extended use of inner phrase modifications accelerando—rallentando , agogic accents i. The use, distribution or reproduction in other forums is permitted, provided the original author s and the copyright owner s are credited and that the original publication in this journal is cited, in accordance with accepted academic practice. What continued the development of the orchestra during the 20 th Century is how it used.

Realism in Nineteenth

It aims to explore the most current trends in early 21st century violin performance practices, and to identify the impact of HIP principles on the new generation of players.

19th

Also discernible is the overall slowing down by Cerovsek and Seiler, versus the gradual increase in tempo displayed by Dahn and Shoji. Phase 1 : parody ; Phase 2 : the character-type ; Phase 3 : the imagined real -- No smoke without water : the incoherent message of Montmartre cabaret. Bartok and Vaughn-Williams were two composers who spent significant time exploring and recording what can broadly be considered to be folk

tunes from their respective countries.

SUMMARY OF WESTERN CLASSICAL MUSIC HISTORY

Scant use of vibrato was traced in the majority of recordings, used as an aid for phrase characterization and ambiance. Song organized regimented tasks and eased the burden of toil.
