## The Siege of Krishnapur by J. G. Farrell

I agree with my GR friend Mark Monday who felt there was insufficient adventure here. Also noteworthy is the romantic Fleury, who demonstrates an extreme sentimentalism and love for poetry while the cannons are firing around him, or the Padre or priest, whose deranged religious rants in the face of imminent danger are completely irrelevant to the unfolding situation.

## The Siege of Krishnapur Summary & Study Guide

That didn't pan out, and he emigrated to Canada.

## Goodreads Monday # 59

The Majestic is majestic no longer. Without love everything is a desert. In Calcutta, life goes on as usual, with various amusements for members of the upper class.

## The Siege of Krishnapur by Farrell

The story is well told.

## The Siege Of Krishnapur by JG Farrell

This was the Victorian era, and the story is a scenario of British Victorians subjected to pressure and strain of near-incredible ferocity. Author Farrell shows us why the imperialist mindset was wrong from the start by way of so many actions and images. It is now one of my favourite books.
