But grant also that this conviction might discipline our soul so that our heart might remain faithful and sincere in the love which we bear to all those whom You have commanded us to love as we love ourselves. The young man who had examined belief from an intellectual distance, standing outside it, now threw himself into an inward, ardent Christianity. I have even failed in holding fast to this — that Thou art love, and yet Thou art love.

### The prayers of Kierkegaard (Book, 1956) [localize-img.justmote.me]

And if only Thou dost find some willingness on the part of the single individual, Thou art prompt to help, and first of all Thou art the one who with more than human, yea, with divine patience, dost sit and spell it out with the individual, that he may be able rightly to understand the Word; and next Thou art the one who, again with more than human, yea, with divine patience, dost take him as it were by the hand and help him when he strives to do accordingly — Thou our Father in Heaven. Some of the prayers really resonate with my own experience--as in this part of Prayer 64: Father in Heaven! At our house, the New Year arrives in August.

### Thoughts of Loy: Kierkegaard: Prayers to the Father

The second part of the volume is a reinterpretation of the life and thought of Kierkegaard. All the capitalized pronouns makes for difficult reading.

### Prayers of Kierkegaard by Soren Kierkegaard, Paperback

In this book, Kierkegaard converses with the Lord about His attributes, God's greatness versus our nothingness, and how our nothingness is something we should pray to feel, not to despair over it, but rather to feel the more powerfully the greatness of His goodness. Penguin Group Australia , 2015.
