GENUKI: ABERDEENSHIRE

The cattle are generally of the Angusshire breed, which, however, is in many parts of the county giving place to the cross or to the pure Teeswater breed: the number of cattle is on an average 25,000, of which 5000 are milch-cows. The book is in green boards with gold titles, bumped to spine ends and rear top corner, no writing or stamps, unmarked pages with a trace of foxing to the text block edge. .
