Schinderhannes (Carl Zuckmayer)

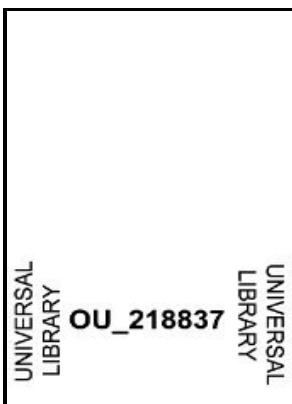

His first ventures into literature and theatre were complete failures. He was certainly right about the bad literature.

Carl Zuckmayer Explained

In modern literature there has been a considerable thought-provoking development in the treatment of names—a deliberate attenuation of names and an incapacity to assign names, even though names continue to appear and these names are often still quite robust.

Schinderhannes (Carl Zuckmayer)

Even in Kafka we can still catch hold of the names; to be sure they sometimes shove us away, make us feel uneasy, but we catch hold of them once again. We are highly accustomed to it and also spoiled by it—spoiled not only by older literature but also by certain contemporaries of those writers who whisked names out of our hands for the first time. The Press is a founding
