## Assignment Essays

Attempts to formulate and test alternative theoretical models have been uncommon.

## National Institute on Drug Abuse (NIDA)

This concurs with work of others who have argued that rhetoric about alienation from participation in civic life may be overstated, or at least over simplified and maybe there is need to focus on the motives what we would like to refer to as the meaning and morality of political participation. The side that sacrifices is normally the administration side since the political side represents the will of the people. It is less about naming an authoritative person on an organization chart.
