## POV

Management action plans for all the 15 mangrove areas have been sanctioned.

## Local Government Actions to Reduce Poverty

There is no evidence that this pattern will change, and most of the sub-Saharan population will continue to live with inadequate water, sanitation and hygiene, which is a fundamental manifestation of poverty. National housing code — Part B: Technical provisions. Also, poorly designed toilets result into pit latrines with wide drop holes.

## Location and Welfare in Cities: Impacts of Policy Interventions on the Urban Poor

The major problem identified is lack of basic information regarding the functioning of urban land markets in Africa and other developing countries Antwi and Adams 2003; Gough and Yankson 2000; Payne 1997. Global Urban Development Magazine ----- WORLD BANK ----- IPEA INTERNATIONAL URBAN Research Symposium ----- Previous Issues Published by Global Urban Development Executive Editor: Dr.

## HerSlums

OCH A Angola, Country Report, Luanda, 2002. Instead, it has attenuated the vulnerabilities of the settlers and generated an ethos of fear and loss. This process entailed detailed reading of the abstracts and papers, reporting of comments to authors, modification of papers by authors whose papers were not rejected by the reviewers, and re-evaluation of revised papers to ensure quality of content.

## **The Challenge of Slums: Global Report on Human Settlements 2003**

Economists concerned with property rights often consider any restrictions on those rights, called 'attenuation of rights' to be undesirable Barzel 1989; Eggertsson 1990.
