The Art Gallery of New South Wales 1997. «Отождествление человеческого тела с любыми другими телами следует считать экстенсивным этапом его информационной реконструкции.

**Pierre Klossowski**

Человек оказывается в парадоксальной ситуации: он может лишь пережить присутствие сознания, но не распоряжаться им. Davies and Anna Fitzgerald with introduction by Small Press, 2020 1954 Roberte ce soir Paris: , 1954 Roberte ce soir and The Revocation of the Edict of Nantes trans. La prima obbedisce a delle regole che si riferiscono al riconoscimento dello straniero stretto a chi lo accoglie da un patto di reciprocità.

**Проблема технизации сознания в философской мысли: истоки и результаты**

Not only the thought and works of this philosopher but the man himself are enigmatic, because he is essentially indistinct and uncertain. Ковалев Дмитрий Викторович Тяпин Игорь Никифорович, д. Ma non nel senso che tale riproduzione sia la manifestazione decaduta di un originale, piuttosto è una sua orma, una sua imprimitura, che si instaura entro una differenza, dunque oltre ogni pensiero dialettico.

Perversion is an extreme experience which introduces one into a territory that is situated beyond any division Perniola 1998.

## **Pierre Klossowski. Perversion and Hospitality**

Sexuality, vice and thinking are interlinked in this process, and traditional notions are of no use in understanding such subtle transitions; rather a superior form of complicity, in which dialectical resolutions have no place.

### **Wikizer0**

In other words, the reality of falsity must be recognized by asserting a counter-generality within the generality itself. В 1960—1970-х годах снялся в нескольких фильмах, в том числе — в ленте «».
