## Maritime Exploration in the Age of Discovery, 1415

Show less READING LIST: Francisco Balbi di Correggio trans.

**Palmira Brummett**

In addition, as had happened in the , the blasts of the Ottoman cannons and guns scared the Mamluk horses which raced uncontrollably in every direction. Challenging the notion that the sixteenth-century Ottoman Empire was merely a reactive economic entity driven by the impulse to territorial conquest, Brummett portrays it as inheritor of Euro-Asian trading networks and participant in the contest for commercial hegemony from Genoa and Venice to the Indian Ocean.

Giancarlo CASALE, The Ottoman Age of Exploration.

## Maritime Exploration in the Age of Discovery, 1415

Dominant through the seventeenth century, English trade went into a temporary decline in the eighteenth century, when the merchants became the dominant European traders.

**Giancarlo CASALE, The Ottoman Age of Exploration. Oxford and New York: Oxford University Press, 2010. xx + 286 pp. ISBN: 978**

Both the Ottomans and Mamluks assembled 60,000 soldiers. During the reign of Sayf-ad-Din Jaqmaq an attempt to conquer Rhodes in 1444 from the was repelled.

## **Ottoman Seapower and Levantine Diplomacy in the Age of Discovery**

Two current classes address early modern Ottoman-European relations and representations; and the ways in which the United States has crafted a set of visions of the Middle East. This led to shortages in rural workers required for food production and a shortage of bread, resulting in a near famine that devastated towns from Cairo to Anatolia. Thus, in addition to reconstructing ancient technology, the archaeological evidence also affords us the opportunity to study the changing economic, social and political environment of the time.
