Edouard Manet by Pierre Courthion

Why, I know it as — why, it rhymes with ' cohorts enraptured! In painting the theme may count for little and yet a great picture re- sult; in Zola's field there must be an appreciable subject, else no fiction. When black is combined with white, however, it symbolizes harmony and equilibrium. He made the Senate Chamber ring with the scorn which he poured out upon the idea of there being any natural hatred between them.

Edouard Manet by Pierre Courthion

At the begin- ning of the last century, in 1810, when David was ruler of the arts in Paris, the two masterpieces in pastel, now in the Louvre, the portraits of Chardin aux besides, and the portrait of Marguerite Pouget, his second spouse, could have been bought for twenty-four francs.
