## What is the Meaning of the Cross? Christian Symbolism

We were bought out of this slavery, even if in the flesh we go through its motions. Do we seek strength to endure unjust treatment and the grace to submit cheerfully to the loss of what we feel is rightfully ours? The gnostics and the mystery religions always claimed that they had found the secret knowledge of spirituality. God the Father sent his one and only Son into the world to take on human flesh and to be the Savior of His people.

If we could see this soul in its loneliness and need, conscious of its way only in dark distress, its way shrouded in foggy night, if we could witness its struggles, its fallings and recoveries, we would be engulfed by a trusting certainty that the soul is signified in the hand of God, that its way and end lie clear as day before the gaze of the Almighty, and that He has commanded His angels to lead it from error to light.
