Anyway, these black feminists have very cleverly played to the. The Nazarene priest lifted his chubby face from the sheaf of papers he held in his

hands. I mean, how can you make that superlative statement? In fact, he was very cordial toward me.

### **Spotlight on ... Ishmael Reed The Free**

The little child seated on the floor busily derailing choo-choo trains, while with goo-goo eyes and smiles shaped like half-moons, the appliances operate these five rooms of enveloping bliss. The Board of Trustees of Illinois State University began operation on January 1, 1996. He smiles as he points to the Harry Sam Projects with the pose of an angel showing some looneybeard the paradise.
