User Review - This is a great book for Identifiyng Moths of North America.

The Moth Book (Oct 24, 2018 edition)

Unfortunatly MANY of the pages in this scan are illegible or poorly scanned. Note: This tag should not be used for sound recordings.

The moth book : a popular guide to a knowledge of the moths of North America : Holland, W. J. (William Jacob), 1848

I appeciate the efforts of Google but a little more care would be in order. Public domain works must be out of copyright in both the United States and in the source country of the work in order to be hosted on the Commons. The plates which are vital to the use of this book are scattered throught the text.
