Parliament of Uganda

London: Longmans, Green and Co. The third choice — to mount a coup d'état or an anti-democratic revolution — is hardly to be contemplated in the present age.

Parliament

The Supreme Court now usually has at least two Scottish judges, together with at least one from Northern Ireland. For the Commons, the approval of the Sovereign is theoretically required before the election of

the Speaker becomes valid, but it is, by modern convention, always granted.

Parliament: Parliament news today. Latest Parliament updates

When the Lords refused to pass the bill, Asquith countered with a promise extracted from the King in secret before the second general election of 1910 and requested the creation of several hundred Liberal peers, so as to erase the majority in the House of Lords.

Parliament of Tanzania

Prior to that, dissolution was effected by the Sovereign, always on the advice of the Prime Minister. For instance, the , which assembled in 1997, was dissolved after four years.
