Milestones: 1921

Hundreds of thousands of higher-income farmers, called kulaks, were rounded up and executed, their property confiscated.

What Was The Soviet Union?

The European Union itself is taking steps to strengthen its own transnational democracy. At the outbreak of the revolution the owner said to himself.

Politics of the Soviet Union

Rent was a small fraction of income.

What Was The Soviet Union?

The high-tech revolution that led to an across-the-board restructuring of the industrial societies in Western Europe and the United States did in fact highlight a structural problem unique to the Soviet economic system. Every effort was made to shut down the factories and starve the workers back into submission to the old industrial regime. Fighting had to be done, order had to be restored, the front guarded.

Politics of the Soviet Union

A loosening of controls over the Soviet people emboldened independence movements in the Soviet satellites of Eastern Europe. Will the EU collapse like the USSR? Petersburg, the former and current capital cities, are the most visited cities in the world.
