### Culture of Vatican City

Then there are galleries like the National Center of Afro-American Artists and the Institute of Contemporary Arts, and the internationally renowned Museum of Fine Arts and the to explore. Second, it's a transient place where not many people actually hang around for the entire year to drive the social interaction needed for people to get together.

### New York City: Culture

Helping cities, regions and local stakeholders to learn from each other The European Commission works with local and regional authorities as well as local cultural stakeholders by facilitating peer-learning and mutual exchanges of good practices. Yet it needs a jointly created cultural vision of where next.

### UK city of culture reflects the global identity of UK cities

Enhanced rural-urban linkages Harmonious territorial development and urban-rural linkages have attracted increased policy attention in recent years in the attempt to overcome the predominant discourse of the urban-rural divide.

### What Do You Think of When Someone Says a City Has

Naturally they have a strong desire for developing genuine social relationships to satisfy their hunger for emotional warmth and sense of security. This also underlines that Member States should pay special attention to the role of culture at local level, to the quality of and the living environment.
