## Monthly Immigrant Issuance Statistics

For more information about the concepts and statistical methodology used in these two surveys, see the Technical Note.

## Monthly Statistical Bulletin

The large employment fluctuations over the past several months--especially in industries with lower-paid workers--complicate the analysis of recent trends in average hourly earnings. Not seasonally adjusted, the absolute average benchmark revision over the past 10 years is 0.

## Monthly bulletin of statistics (Journal, magazine, 1947) [localize-img.justmote.me]

See the notes at the end of this news release for more information about these changes. The average workweek for production and nonsupervisory employees on private nonfarm payrolls increased by 0.

## Monthly Statistical Bulletin

For those in the private sector, a useful reference material in planning, organizing, prospecting, and expanding economic activities; for those in the government, a tool in mapping out economic development programs; and for private individuals, a valuable supplement in research work and analytical studies.

## Monthly Statistical Bulletin

These data refer to employed persons who teleworked or worked at home for pay at some point in the last 4 weeks specifically because of the pandemic. MBS online details over 70 subjects including population, food, trade, production, finance and national income, fuel imports, industrial output, world ship-building and civil aviation traffic.
