Program Notes: Tchaikovsky's Pathetique

Easily share your music lists with friends, students, and the world. Tchaikovsky's Sixth is featured in the 2014 sci-fi video game , during several missions in which the player must interact with a Russian supercomputer, Rasputin, who serves as a planetary defense system.

Program Notes: Tchaikovsky's Pathetique

The winds dialogue with the piano as the theme repeats. Tchaikovsky's Sixth Symphony has also been featured during the , being danced by 's national team.

Tchaikovsky

WORLD PREMIERE: Tchaikovsky conducted the first performance on October 28, 1893. Now the landscape is familiar- the exquisite diminuendo, followed by the gentle recollection in the clarinet. The melody becomes stretched and twisted by the awkward meter, enhancing the plaintive quality of the music.

Symphony No. 6 (Tchaikovsky)

Jackson, a member of the faculty at the University of North Texas, in his book Tchaikovsky: Symphony No. All four songs have different lyrics.

Tchaikovsky: Piano Concertos, Symphony No. 6 The Seasons, Piano Pieces
