## Austrian Economics and Liberty: Civil Disobedience

The irony of his work as a surveyor was not lost on him. He rediscovered the process of making good pencils with inferior by using clay as the binder. Boston : Ticknor and Fields — via Internet Archive.

## The Economist Henry Thoreau & Enterprise

Thoreau managed the boat so perfectly, either with two paddles or with one, that it seemed instinct with his own will, and to require no physical effort to guide it. Moreover, I, on my side, require of every writer, first or last, a simple and sincere account of his own life, and not merely what he has heard of other men's lives;

## Thoreau's economic philosophy

If I had remembered this it would have prevented some mistakes. We talk a lot about freedom these days.

## Leonard N. Neufeldt, The Economist: Henry Thoreau and Enterprise

As well as his writing and activism, he was an engineer, a surveyor, a lecturer and a meticulous naturalist. Nevertheless this points to an important distinction between the civilized man and the savage; and, no doubt, they have designs on us for our benefit, in making the life of a civilized people an institution, in which the life of the individual is to a great extent absorbed, in order to preserve and perfect that of the race.

## 60 Henry David Thoreau Quotes on Nature & More (2021)

Only they who go to soires and legislative balls must have new coats, coats to change as often as the man changes in them.

## **Economy**

The Press publishes more than 120 new books and 30 scholarly journals each year in an array of subjects including American history, labor history, sports history, folklore, food, film, American music, American religion, African American studies, women's studies, and Abraham Lincoln.

## **Thoreau's economic philosophy**

It is a labor to task the faculties of a man—such problems of profit and loss, of interest, of tare and tret, and gauging of all kinds in it, as demand a universal knowledge.
