### A short history of the relationship: China

This lead to the series of detonations in May, and the subsequent quick response by Pakistan. Script is rare and confined to potsherd inscriptions.

### Tension Between India And Pakistan: Of Wars, Terrorism And Kashmir

In contrast, the population of the Indus plains and adjacent regions lived mainly by hunting and gathering; the limited traces suggest their settlements were far fewer in number, and were small and widely scattered, though to some extent this apparent situation must reflect the difficulty of locating hunter-gatherer settlements.

### Tension Between India And Pakistan: Of Wars, Terrorism And Kashmir

The number of incoming refugees was quite large, with over a million people migrating to Gujarat. The Partition of India was the division of into two independent : and.

### India

The dietary pattern remained same throughout the decline. The Indus civilisation's economy appears to have depended significantly on trade, which was facilitated by major advances in transport technology.

### December 2017: India

Studies of tooth enamel from individuals buried at Harappa suggest that some residents had migrated to the city from beyond the Indus Valley.
