The State of Ghanaian libraries: How can we improve on it?

He was worried about the future of the country if the trend continued and called on the stakeholders to step in to ensure that the goal of libraries were restored in the schools. The conferences are often organized as a collaborative effort between the government ministry in charge of libraries, via the National Library or authorizing library body of the host country, and the African Library and Information Associations and Institutions AFLIA.

Legislation for Library and Information Services in Anglophone West Africa, Libri

Currently, the total collection of the University Library system is 293,164 volumes, of which 81,064 volumes of collection come from the six college libraries. As at 2010, the library could boast of collection holdings of over 230,000 volumes of printed books and about 3,500 journal titles.

African Library and Information Associations and Institutions

In her view, there are other group of librarians who are able to design and develop new library and information systems. Achimota Teachers' Training College was later transferred to Kumasi to become a foundation for the faculty of Kumasi College of Technology; and from Kumasi some of the original Achimota stock went to form the basis of the University College of Cape Coast libraries. Valley View University, now a full-fledged private university, was the first private university college that was established in the country in 1979.
