An expert in religious symbols and professor at Harvard University, Langdon is perpetually erudite, well—dressed, and a step ahead of his enemies in this 2000 novel. After earning his Amherst degree in 1986, Brown taught English at Phillips Exeter Academy in his hometown, and it was an event there that inspired him to write his first novel, Digital Fortress. How should you rewrite a bad one? Why, oh why, do the majority of the population ruin their taste buds, their sense of wellbeing, and empty their wallets through buying bastardised commercial meal products sold by big supermarkets? In early 2004, Brown's book became the all—time best—selling work of fiction in hardcover, with sales of 6.
