Run over by history

When Kostia sees one of the more repressive members of the Central Committee, one Comrade Tulayev, getting out of a chauffeured limo to walk the extra few blocks for a clandestine tryst with his mistress, he shoots and kills him and gets away. He is devastated by the injustices he sees around him. In this panoramic vision of the Soviet Great Terror, the investigation leads all over the world, netting a whole series of suspects whose only connection is their innocence—at least of the crime of which they stand accused.

What did you do to conceal the past of the Trotskyist Kondratiev on the eve of his mission to Spain? The Case of Comrade Tulayev is a series of short stories that tell a larger truth.

The Lectern: Case of Comrade Victor Serge

Comrade Tulayev is certainly a masterpiece of literature. To him, people were individuals, responsible for the decisions they made and the actions they undertook; the self-justificatory claims to being a pawn caught in the inescapable determined destiny of Historical Necessity simply did not cut the mustard with this author.
