## Ten Caesars: Roman Emperors from Augustus to Constantine by Barry S. Strauss

He, however, had been made king by the Romans to replace Hyrcanus who was a Hasmonean. These arose from an economic that induced an introspective mentality, which tended to pessimism and led to repressive policies but which also was expressed more positively in a yearning and search for order.

## Sejanus and the Chronology of Christ's Death

It is easy to immerse yourself in the story of people that ruled the vast empire and needed to fear constantly for their lives. VS were made into Lat. Something that becomes evident when reading the New Testament is that Rome imposed heavy taxation a simple reading of the canonical gospels highlights this reality in several ways.

## HISTORY 101

What I realized is not particularly revolutionary, just the substantiation of what I've always thought: No matter how anatomically, biologically, and physiologically we've evolved from the primordial ooze that was our progenitor, the human spirit -- its wants, desires, unquenchable self-serving thirsts, insatiable egocentric hungers, delusional needs for money, power, and the subjugation of others to ameliorate our own inadequacies and lack of humanity.

## **The Roman Empire During the Time of Jesus (Background of Luke's Gospel)**

They were considered legal heirs to kingship. It is unclear what sort of lessons that the author is trying to draw, but he does mention the personal lives of emperors as it relates to marriage, children, and relationships, as well as the relationship of many emperors with the military, economic matters, and Christianity. There was a nephew of Judas Maccabeus named Jason and another Jason served as an envoy to Rome, but neither of these men can be connected positively with Jason of Cyrene.

## **The Failure of Daniel's Prophecies**

The biblical prophets themselves admitted that their credibility stands or falls with the fulfillment or failure of their predictions. When I finally arrived at work, to save face, I told the story that my cats had knocked a bottle of olive oil from the kitchen counter and onto the floor, where it shattered with dire results. The audio w I had minimal knowledge of Roman emperors so this was a great introduction text.
