## The Development of American Citizenship in the Revolutionary Era: The Idea of Volitional Allegiance on JSTOR

This new concept of citizenship left many questions unanswered, however. Nevertheless, as Americans first experienced, then sought to articulate the meaning of, their transformation from subjects to citizens, they made. The Restoration of Charles II brought temporary peace after a troubled decade of parliamentary rule, but the attempts of James II to restore the supremacy of the monarchy revitalized political opposition and ultimately produced the Glorious Revolution.

## The development of American citizenship, 1608

Two copies of the certificate were created — one given to the petitioner as proof of citizenship, and, after September 26, 1906, one forwarded to the Immigration and Naturalization Service INS. Americans took the model of naturalization as their starting point for defining all political allegiance as the result of a legal contract resting on consent. Kettner explores this complex but fascinating subject with authority and dexterity.

## Project MUSE

English judges of the seventeenth and eighteenth centuries assumed that the essential purpose of naturalization was to make the alien legally the same as a native, that is, to make his allegiance natural, personal, and perpetual.
