There is no important form of the Hindu thought which is not rooted in Upanishads. Perhaps we can repay an portion of the debt by passing on the knowledge in turn to other deserving disciples. The Atma, towards which affection never wanes, is always the most beloved.

He was a man of great energy and determination, and he left a lasting legacy in the field of education.

It is the text book for post graduate study for a student of Vedanta.

Moreover, that which was loveable can turn unpleasant. Sometimes, that which is not dear may become dear.
