It would, certainly, prove nothing, as to what part I might have taken, had I lived during the great controversy of 1776. A British incursion into during 1814 was defeated at the , and the invasion of that launched before word of a ceasefire had reached General was decisively defeated at the in 1815. And it would go hard with that politician who presumed to solicit the votes of the people without inscribing this motto on his banner.
