List of Soviet Union divisions

The following is a list of Soviet military equipment of World War II which includes artillery, vehicles and vessels. Invented by the Spanish Nationalists in the Spanish Civil War. In each region able-bodied men were called up for a limited period of active duty in a territorial unit, which comprised about half the Army's strength, each year, for five years.

Is Russian Cultural Hegemony in Central Asia Finally Over?

In 1973 a large mining and metallurgical complex was constructed to the southeast to smelt the copper that until then had been sent elsewhere for processing. While Moscow in the mid-2000s sought to thwart Western plans to construct a pipeline across the Caspian Sea to transport Turkmen and other Central Asian gas to Europe, China entered and quickly dominated the Turkmen market. China envisions becoming the predominant leader at least in Asia.
