Vault Guide to the Top 50 Banking Employers, 2018 Edition

Investment banks intermediate between issuers of securities and the investing public, distributing offerings through their dealer networks or direct sales to clients. We chose these 66 firms based on previous Vault surveys that gauged opinions of industry insiders, as well as on various factual data, including annual revenue and number of employees. Day in the Life profiles place you in the shoes of an established professional for one day, and an extensive glossary and resource list put all the industry knowledge you need to succeed at your fingertips.

Vault Guide to the Top Banking Employers, Asia Pacific Edition

The broker's job involves managing the account portfolios for individual investors — usually called retail investors.
