### **Amber Brown Wants Extra Credit by Paula Danziger: 9780142410493**

I thought this book was good because they made the characters seem as if they were real. So to make up for the trouble she gets in Amber need Have you ever felt been in deep trouble no matter what you do? She engages in all sorts of antics to emphasize her displeasure with her mother's new companion, and learns that her father living in France has also met someone.

### **Amber Brown Wants Extra Credit by Paula Danziger: 9780142410493**

She wrestles with thoughts about whether liking Max is a betrayal to her dad.

### **Amber Brown Wants Extra Credit (Amber Brown) (October 1999 edition)**

Among her titles are: the enormously popular Amber Brown books as well as Remember Me To Harold Square, The Divorce Express, and Can You Sue Your Parents For Malpractice? I thought the style was great because it had lots of emotions. I liked this Amber Brown book better than the last one I read. Now her mother is angry, her teacher wants all of her homework, and Max keeps trying to make her laugh.

### **Amber Brown Wants Extra Credit (Amber Brown) (October 1999 edition)**

Amber is a good character and has a lot to handle in this book. Also, it is fairly short so it shouldn't take that long to read.

### **Amber Brown Wants Extra Credit by Paula Danziger**

Amber complains about her mother always saying that her room is messy, and her teacher complains that her homework is always in late. Amber resists meeting her mother's new boyfriend, Max, because she is holding onto the hope that her parents will get back together; and her grades slip as she's distracted by family issues.
