The fault lines defining the Middle East's future

In particular, the question about whose interests international law reflects and defends could be explored in a more detailed and systematic way. His second five-year term as commander-in-chief was expected to end upon reaching the mandatory retirement age of 65 in July 2021.

The evolving Thai political fault lines

In this context, as mentioned above, several scholars have suggested that the adoption of ex ante guidelines, which would objectify the selection process, add transparency and clarification in the work of the main figure, the prosecutor, and thus enhance the legitimacy of the Court. Accusations are heard about bureaucratic sluggishness and failure to understand diversification of risk.

International Law Reporter: Charlesworth & Coicaud: Fault Lines of International Legitimacy

Inevitably, the elections are fought on one or relatively few dimensions and therefore cannot address the complexity of the divisions in society. Other aspects of democracy are arguably more important than elections.

Jean

Dow crossed 18,000, German DAX breached 11500 and Nikkei despite the weakening of exports, jumped to over 20,000.

Legitimacy Faultlines in International Society. The Responsibility to Protect and Prosecute after Libya

Co-founder of Geopolitics Alert Randi Nord goes in-depth about Biden's Houthi activity. © 2021 Scientific American, a Division of Springer Nature America, Inc. President Assad, riding on a wave of military successes with the backing of Russia and Iran, remains adamant that he will take back all of Syria.

Jean

The Afghanistan and Iraq misadventures shattered the invincibility of Western moral leadership, exposing their double standards. India is known for

social injustice issues simply by having a caste system. This latter dimension, pertains to the width and scope of the policy priorities and extra legal considerations that the prosecutor may take into account while exercising his or her discretion.

The Fault Lines of Failed States

Le Pen voters felt highly threatened and were especially concerned about immigration, loss of French identity, terrorism and crime. One of the central messages of the book is that, although the search for international legitimacy is an elusive endeavor, there is no alternative to it if we want to respond to the intertwined demands of justice and security and make them an integral and strategic part of international relations.
