AISC: American Indian Culture and Research Journal

Smelcer, Pamela Smelcer, and Ermine Hailey Index, American Indian Culture and Research Journal, Volumes 1 to 16 1974 to 2002. This is an excellent compilation of articles on Native American history. I have the same assessment for this book in that it is a holistic collection of narratives from the many perspectives and situations from Native American history post-contact.

American Nations: Encounters in Indian Country, 1850 to the Present : Hoxie, Frederick, Mancall, Peter, Merrell, James:
Amazon.sg: Books

A Pearl of Powerful Learning: The University of Cracow in the Fifteenth Century 2016 Paul Knoll Woodie Guthrie L. Some of the articles, as with most historical works, are problematic in their content or balance, but weighed with this knowledge it is an interesting and informative work on the history of the people from the 1850s to the present day, covering a fairly wide span of tribes and topics. While generally chronological, the articles are arranged around themes of reservation culture, gender, culture change, religion, Indian renewal and Indian activism, and cultural resurgence.

American Nations: Encounters in Indian Country, 1850 to the Present

If you're looking for post-contact and a little pre-contact Native American history, this should be on your bookshelf. For scholars and teachers interested in colonialism as a historical process, the sections on reservation cultures, gender, and cultural change offer the most developed and theoretically informed contributions - Doris E.

AISC: American Indian Culture and Research Journal

Very Good: A book that does not look new and has been read but is in excellent condition. His books include *A Final Promise: The Campaign to Assimilate Indians, 1880-1920* and *Parading Through History: The Making of the Crow Nation in America*. .
