Aurelius Victor

It once was thought to have been written by the fourth-century author Sextus Aurelius Victor, but is now believed to have been composed by an anonymous author of the fourth century referred to as pseudo-Sextus Aurelius Victor.

Epitome de Caesaribus

As this reprint is from very old book, there could be some missing or flawed pages, but we always try to make the book as complete as possible.
Size: 215 × 165 × 20 mm. One of several face masks that I made in preparation for an eventual return to working in the lab.
