How to Write Emotional Poetry: 10 Steps (with Pictures)

We never fulfilled Dvorak's prophecy.

How To Write A Love Letter In 4 Easy Steps!

Emotional poetry is actually a very good thing to put in a journal, as it helps you to work through your feelings without any judgement, and can be good practice for poems you want to show others. To counter this, I decided to switch up keyboard layouts completely to throw off my habits entirely.

Antonín Dvorák

The work performed was Beethoven's 'Choral' Symphony, and the conductor was Spohr.

Dvorak on himself 1

Keep the poem for yourself. The cycle was entitled shortly before Dvořák sent the score to his publisher. I mostly fixed that by making an autohotkey script that catches keystrokes on the fly and replaces them with the correct letters so I don't have to mess with any system settings on strange computers.

Dvorak keyboard layouts: do they make you faster?

With great pride I carried it home to Mühlhausen and had it tried by our band there. I really appreciated this article and the links included to the Youtube sound bites, and that it was part the daily dig today.
