The Annotated Mona Lisa: A Crash Course in Art History from Prehistoric to Post

. That made it worthwhile and very rewarding. A whirlwind tour of art through the ages! Used items may not include supplementary materials such as CDs or access codes.

Fine Craftsmanship: A crash course on 8 art and craft traditions from India

There is so much left out from other world cultures that it spoils the lessons of the book for me. I will guide you through a drawing session where you will create an artwork drawing from observation.

The Annotated Mona Lisa, Third Edition A Crash Course in Art History from Prehistoric to the Present

Pages and cover are clean and intact. Learn how to play with art materials like when you were a kid.

Classic Illustration Crash Course

In this video lessons world-renowned painter Steve Huston will teach you a structural approach to painting the landscape. Nudity is present in a small percentage of the pictures.
