Monnington Farm

From the start, their pictures showed a savouring of small things - a mantelpiece assembly leading to the scarlet gash of a single red flower, a table composition centred on the golden globe of an oil lamp. He taught at Kingston College of Art.

Monnington Farm

There he was taught by Ruskin Spear, Carel Weight and Charles Mahoney and, in turn, he taught at Kingston School of Art. His work was shown at the Leicester Galleries, the New English Art Club and the Royal Watercolour Society, and Bulmer also exhibited at the Royal Academy Summer Exhibitions from 1947 onwards.

Lionel Bulmer « Tim Forrest's E & A

For all others who have useful information about this artist, please email the information to. His work was recently featured in the 'Modern Romantics' exhibitions at Messum's, Cork Street London, 10th-27th September 2014.

Lionel Bulmer « Tim Forrest's E & A

These were to be the images for which they were best known in New English Art Club shows until, with Lionel's death, their names faded. Fröhliche Strandszenerie in heiteren Farben. Living in Chelsea, first in a rented room in Elm Park Gardens and then in a Lucan Place studio, they found human and scenic subjects in nearby squares, parks and embankments for the paintings they would produce from almost adjoining easels back at home.
