Northern Ireland

. Panel anchor A Statutory Instrument may come into effect as soon as it has been made.

Committees of the Northern Ireland Assembly

. State means a State of the Commonwealth. Much guidance emanates from employers — policy, practice and procedural documents.

Public health measures for COVID

. . .

The Water Services etc. (Scotland) Act 2005 (Consequential Provisions and Modifications) Order 2005

.

The Organic Products Regulations 2004

. Under the Mines Regulations 2014, there is also an obligation to build tips in such a way as to avoid instability or movement that could risk the health and safety of any person.

To surrender certain environmental permits, including those for mining waste operations, the operator will need to satisfy the regulator that necessary measures have been taken to avoid a risk of pollution and to return the site to a satisfactory state.
