William Tatton Winter Watercolour ' St Georges Canterbury'

These include a dwelling created from a medieval chapel, lane-side cottages, substantial farmhouses, workers cottages and mill houses. In particular parts may have been replaced or renewed and lots may not be authentic or of satisfactory quality. We are however happy to provide additional information regarding the condition of items on request.

William Tatton Winter

Our condition report has not been prepared by a professional conservator, restorer or engineer. It stood in Bishopsford Road a short distance from what is now the Rose Hill roundabout.

William Tatton Winter, RBA (1855

The River Wandle has been an important feature of the local landscape for centuries. Descriptions provided in both printed and on-line catalogue formats do not include condition reports. The cottage belonged to the parish.

No Place Like Home

We are however happy to provide additional information regarding the condition of items on request. This would have been an out of town house to complement his London residence.
